Malnutrition among children aged less than five years

694. SHRI T.T.V. DHINAKARAN. Will the Minister of WOMEN AND CHILD DEVELOPMENT be pleased to state:

(a) whether 50 per cent of the new born children and children less than five years old suffer from malnutrition; and

(b) if so, the action taken in this regard?

THE MINISTER OF STATE OF THE MINISTRY OF WOMEN AND CHILD DEVELOPMENT (SHRIMATI RENUKA CHOWDHURY): (a) While precise data on low birth weight of the new borns in the country is not available, 23 per cent newborns have low birth weight as per National Family Health Survey (NFHS)-2. Moreover, 46 per cent children under 3 years of age are underweight as per the National Family Health Survey-3 (2005-06).

(b) Malnutrition is multi-sectoral and inter-generational in nature. The Government is seized of the problem and is implementing a number of schemes which, directly or indirectly, have a bearing on the nutritional status of children. Some of these are as under:
